# Arbor Day Celebration At Ophir Elementary School

Club, Western Environmental Consulting, Inc. and the City of Oroville. PG&E's "Safety Dave and "Right Place Pete" assisted with the event.

The City for thirty five consecutive years has been recognized and honored by the National Arbor Day Foundation as a "Tree City USA." The City is proud to have over 10,000 trees which provide shade in the summer and beautiful

blooms in the springtime.

The Tree City USA Program is sponsored by the National Arbor Day Foundation in cooperation with the United States Department of Agriculture, Department of Forest Service, and the National Association of State Foresters. A community must meet four standards to be considered. The standards include a comprehensive community forestry program, a tree care ordinance, a tree board or department, and an Arbor Day observance.

Arbor Day traces its roots back to 1872 when Sterling Morton, Secretary of Agriculture under President Cleveland, began the program. As the program continued,

it took on a new educational character by including teachers and students. Not only does the celebration provide a beautification aspect, but it contributes to a learning environment for historical events, celebrated persons and the study of trees. Forty-four states and territories now celebrate Arbor Day with hundreds of thousands of acres of trees planted by human hands

Trees are widely appreciated for their bountiful produce and the beauty they contribute to our environment. They provide many conservation benefits as well, such as: tree roots grip and hold topsoil which slows runoff reducing erosion and water pollution; leafy tree canopies conserve moisture, slow the wind, keep the air clean, help quiet loud traffic noises, and provide

shade from the hot sun while creating a welcome home for birds and wildlife. Poet Joyce Kilmer perhaps said it best, "I think that I shall never see, a poem lovely as a tree..."

The City of Oroville Parks and Trees Department recently hosted an Arbor Day celebration at the Ophir Elementary School.

The community-invited program included a welcome from Wade Atteberry, City of Oroville Parks & Trees Supervisor, special greetings from Mayor Linda Dahlmeier, information about Arbor Day, planting the right tree in the right place, and an equipment demonstration by the City of Oroville Parks and Trees Department. The Tree City USA Flag was presented by John Melvin, Cal-Fire Professional Forester. The program concluded with students and City staff planting trees that were donated by PG&E, Lake Oroville Area Garden

## Butte Humane Society Invites Community Members To Supper Club

Wine Time Supports Animals by Hosting Supper Club on April 1st

Butte Humane Society (BHS) invites you to join them at Supper Club! Supper Club will be held on April 1st at Wine Time, located at 26 Lost Dutchman Dr. during the hours of 3:00 PM – 11 PM. Wine Time will donate 15% of all purchases made that night to Butte Humane Society. Please visit [www.winetimechico.com](http://www.winetimechico.com) to view their complete menu.

The Butte Humane Society Supper Club is held every month at local restaurants. Each restaurant has generously pledged to donate a percentage of dinner sales made during Supper Club to Butte Humane Society. Attend Supper Club each month and

enjoy a delicious dinner with likeminded individuals, all while supporting local businesses and the homeless animals in the community. Simply dine during the Supper Club hours to show your support for the animals!

To see the full Supper Club calendar and view participating restaurants, please visit [buttehumane.org/supperclub](http://buttehumane.org/supperclub). Also, to stay in the know about all Butte Humane Society happenings, please like them on Facebook at [facebook.com/buttehumane-society](http://facebook.com/buttehumane-society).

If you are a local restaurant that would like to be involved in the BHS Supper Club in 2015, please contact Abigail Lammel at 530.343.7917x109 for more information.

## Team Effort Clears Homeless Camps In Oroville

On March 12th a taskforce partnership, which included the City of Oroville Code Enforcement Team, Feather River Recreation and Park District Staff, the Butte County Sheriff's Office SWAP workers and Recology, successfully removed eight active homeless camps and four abandoned homeless camps from the area adjacent to the Pat Alley Memorial Dog Park located at the east end of Riverbend Park. The cleanup effort also included several nature trail areas. Areas of dense vegetation were trimmed to reduce and lower the attractiveness of creating future homeless camps.

Ending homelessness is about protecting and furthering human rights. Balancing health, safety, and community impact concerns created by encampments of people experiencing homelessness can be challenging. Prior to the clean-up the City of Oroville Code Enforcement Team made multiple visits to the identified sites also providing written information to those that were illegally using the areas. Ron Belser, Code Enforcement Officer stated, "We make every attempt to

help those affected to know that there are multiple resources available to assist them. We also provide time, ahead of the cleanup day, for relocation of personal items."

Depending on variables such as terrain, visibility, and accessibility, encampments can take multiple forms, including groups of tents or semi-permanent structures on public or private property. Oftentimes, encampments occur on land which has never been intended for any human habitation. The Oroville area with its many parks trails and open space continues to be an attraction to homeless camps and continuing challenge to the Code Enforcement Team.

Over 11,000 pounds of trash and debris were cleared as well as drug related items that were seized and appropriately destroyed. Oroville continues to take a proactive stance regarding illegal encampments, as do many communities across the country, working on creating solutions for people experiencing homelessness. Additional information may be obtained by contacting the City of Oroville Code Enforcement Team at (530) 538-2435.

**Announcements**

Reader Advisory: In order to avoid misunderstandings, some advertisers do not offer "employment" but rather supply the readers with manuals, directories and other materials designed to help their clients establish mail order selling and other businesses at home. Under NO circumstance should you send any money in advance or give the client your checking, license ID, or credit card numbers. Also beware of ads that claim to guarantee loans regardless of credit and note that if a credit repair company does business only over the phone it's illegal to request any money before delivering its service. All funds are based in US dollars. 800 numbers may or may not reach Canada.

# Oroville State Theatre Built in 1928 S.T.A.G.E. State Theater Arts Guild

## “Miracle on Myers Street Project”

Become a member of S.T.A.G.E. and help SAVE the Oroville State Theater

Who/What is STAGE? “State Theatre Arts Guild” formed in 1979 with the mission it find Oroville a Fine Arts Theatre. STAGE later pooled their funds with the City to help the City purchase the STATE Theatre. STAGE is a non-profit group whose mission has always been to PROTECT, PRESERVE and PROMOTE the STATE Theatre.

In 2014 the City of Oroville told us that they would no longer operate the theatre. Instead they would turn the State Theatre over to a private operator. STAGE know that meant high rental fees pricing Oroville users out of the market, so STAGE offered to manage and operate the Theatre for the good of all of Oroville – with an all volunteer staff. We have successfully done so – it’s truly Oroville’s STATE Theatre.

Now, in order to survive, we need Oroville’s help to cover \$30,000 annual operating expense – insurance, cleaning supplies, maintenance, lighting, sound, internet and more. If we have 1,200 members at only \$25 per year we will have our “MIRACLE” – “ordinary people banding together to do an extraordinary thing”, the residents of Oroville adopting the STATE THEATRE.

Our Miracle Project is to enroll 1,000 more members in 2015. If we can do this we can continue to make the Theatre available very affordable to students, service groups, churches, dance teachers, concert groups theatre groups and more – we can save the STATE THEATRE.

**Please join STAGE for only \$25 per year • Be part of the “MIRACLE”**

Detach below and send with your check or join online at [www.oroillestatetheatre.com](http://www.oroillestatetheatre.com)

## CDFW Seeks Artists to Enter 2015-2016 Duck Stamp Art Contest

Artists are invited to submit their original artwork to the 2015-2016 California Duck Stamp Art Contest. The California Department of Fish and Wildlife (CDFW) will accept submissions from May 1 through June 3.

The contest is open to U.S. residents who are 18 years of age or older as of March 4, 2015. Entrants need not reside in California.

The winning artwork will be reproduced on the 2015-2016 California Duck Stamp. The top submissions will also be showcased at the Pacific Flyway Decoy Association's art show in July.

The artwork must depict the species selected by the California Fish and Game Commission, which for the 2015-2016 hunting season is the American green-winged teal.

The design is to be in full color and in the medium (or combination of mediums) of the artist's choosing, except that no photographic process, digital art, metallic paints or fluorescent paints may be used in the finished design. Photographs, computer-generated art, art produced from a computer printer or other computer/mechanical output device (air brush method excepted) are not eligible to be entered into the contest and will be disqualified. The design must be the contestant's original hand-drawn creation. The entry design may not be copied or duplicated from previously published art, including photographs, or from images in any format published on the Internet.

All entries must be accompanied by a completed participation agreement and entry form. These forms and the official rules are available online at [www.wildlife.ca.gov/Duck-Stamp/Contest](http://www.wildlife.ca.gov/Duck-Stamp/Contest).

Entries will be judged at a public event to be held in June. The judges' panel, which will consist of experts in

the fields of ornithology, conservation, and art and printing, will choose first, second and third-place winners, and an honorable mention.

Since 1971, CDFW's annual con-

test has attracted top wildlife artists from around the country. All proceeds generated from stamp sales go directly to waterfowl conservation projects throughout California. In past years, hunters were required to purchase and affix the stamp to their hunting license. Now California has moved to an automated licensing system and hunters are no longer required to carry the physical stamps in the field (proof of purchase prints directly onto the license). However, CDFW will still produce the stamps, which can be requested by interested individuals at [www.dfg.ca.gov/licensing/collectorstamps/](http://www.dfg.ca.gov/licensing/collectorstamps/).
